Notes:

All durations are approximate and do not include time for brief introductions, etc.

The festival schedule is subject to change. A full listing of all festival films with the latest information can be found at AustinJFF.org/film-guide

The web based film guide also includes the online showings of the above movies. The online availability of each film is noon on the same day it shows in the theater through 48 hours later. The film guide also includes a large number of short films, not shown above. All shorts are available to watch at no charge for the duration of the festival.
